

## Federal Energy Regulatory Commission Survey on Demand Response and Time-Based Rate Programs/Tariffs

Please note that the information submitted through this survey instrument must be completed in one session.

**Q1** What is your Company's EIA ID number? [Note - If your company does not have an EIA ID number, use the number assigned to your company in the letter/e-mail from FERC in lieu of the EIA ID number.]

**Q2** What is the associated password for your company?

**Q3** What is the name of your operating company?

**Q4** Please select the Regional Council within the North American Electric Reliability Council (NERC) region for which you are providing the demand response information.

- Electric Reliability Council of Texas (ERCOT)*
- Florida Reliability Coordinating Council (FRCC)*
- Midwest Reliability Organization (MRO)*
- Northeast Power Coordinating Council (NPCC)*
- Southeastern Electric Reliability Council (SERC)*

- Southwest Power Pool (SPP)
- Western Electricity Coordinating Council (WECC)
- ReliabilityFirst Corporation (RF)

**Q5** For this associated NERC region, please identify the states in which your organization provides programs for demand response and time-based rates.
